## REPORT ON ACTIVITIES OF THE GRAND CAPTAIN OF THE HOST

---

---

**TO:** MOST EXCELLENT GRAND HIGH PRIEST,  
OFFICERS AND MEMBERS OF THE GRAND CHAPTER, AND  
THE COMMITTEE ON THE DOINGS OF GRAND OFFICERS

**FROM:** R. BRADLEY ALDERFER, KYCH, RIGHT EXCELLENT GRAND CAPTAIN OF  
THE HOST

**DATE:** 10/22/2011

---

It has been my honor and privilege to serve as your Grand Captain of the Host for the preceding Capitular year. During the year, I participated in a number of activities and have thoroughly enjoyed the many friendships I have developed with other Companions from around the United States and throughout the world. While I have not travelled outside of the jurisdiction for Grand Chapter Convocations, due to other Masonic commitments, following is a brief summary of my activities:

- I served as visiting officer at Meridian Sun Chapter/King Solomon in Nashua.
- I attended the visitations in Concord/Claremont and Portsmouth/Rochester and Manchester.

It has been a most enjoyable year, and I am sincerely grateful for the opportunity to have served. While I will be unable to be with you at our Annual Session, due to the graduation of my youngest child from the University of Rochester—with a degree in Optical Engineering—which occurs at the same time, I do look forward to continuing to serve in such capacity as may be deemed appropriate by the members of this Grand Chapter.

Respectfully Submitted,

R. Bradley Alderfer, KYCH  
Rt. Excellent Grand Captain of the Host

## REPORT OF FRATERNAL CORRESPONDENCE

To the Most Excellent Grand High Priest, Grand Officers and members of the Grand Chapter of Royal Arch Masons for the State of New Hampshire:

Your Grand Secretary reports that all Fraternal Correspondence has been received through this Office and has been acted upon, with the expressed knowledge and approval of the Most Excellent Grand High Priest.

Correspondence was generally in the form of approving and recommending Grand Representative Appointments.

Respectfully submitted,

Dennis A. Sheridan MEPGHP

Grand Secretary

## REPORT ON ROYAL ARCH RESEARCH ASSISTANCE PROGRAM

The Board of Directors of Royal Arch Research Assistance Incorporated, the philanthropy of the General Grand Chapter Royal Arch Masons International, after considerable research, review, discussion, soul searching and interviewing numerous organizations involved in Central Auditory Processing Disorders have chosen three for research funding for 2011 – 2012. This process took much longer than was desired, however it was felt necessary to maintain the trust and integrity which has been entrusted to the Board by all our Companions.

The first organization selected is the University of Connecticut and Dr. Frank Musiek, PhD., an internationally known and recognized researcher in CAPD, and their promising program for continuing their efforts in this field of research. The Board decided to add two additional organizations, Autism Speaks and the Deafness Research Foundation to the current year grant program for their outstanding accomplishments based upon their past history and performance. Individuals diagnosed with Autism have a very high probability of also being impacted with CAPD. Autism Speaks has a number of initiatives dealing with hearing research in newborn children and toddlers. This program will also provide a hands on local capability to become involved in fund raising activities at either the state or local Chapter level should our Companions wish to join or become involved and participate in this great opportunity.

The Deafness Research Foundation has a pilot educational program, *Safe and Sound*, for elementary and middle school children. They also have a new initiative called the *Hearing Restoration Project*, which is a new multidisciplinary national research consortium effort aimed at speeding up research in the regeneration of cells and molecules that regulate hearing processes. More importantly, this organization also has in place a research grant mechanism to place research funds with younger investigators who are exploring new avenues to the effects of hearing and individual balance. This would allow other existing CAPD research programs the opportunity to apply for grants under this well established program.

The Board is excited as it is felt that this initiative will advance national and local recognition of our efforts and provide a very positive image throughout the world for Royal Arch Masonry. The Board also feels that by taking this approach we will have a broader field of research being accomplished by a number of researchers working in Central Auditory Processing Disorders. This certainly seems to provide Royal Arch Masonry with the opportunity to obtain the greatest bang for the buck over all other programs and organizations that were considered. These initial grant programs are to be reviewed annually to assure that the goals and objectives are being met as a requirement for additional future funding.

*Our agreement and all supporting documents remain to be finalized with these entities and are therefore not official until the appropriate grant applications are submitted to the recipients and approved by the Board. Please join with us however and become willing to participate in this greater opportunity to support Central Auditory Processing Disorders than ever before. Individually we may be unable to help everyone; but together, we can help so many more with your continued assistance and participation.*

## **REPORT ON CHARITY (RARA)**

April 16, 2011

M Ex Companion John S. Geas and members of NH RA Masonry in NH.

Because of the uncertainty about continuing with the Royal Arch Research Assistance Foundation in its present form M Ex. John Geas, GHP announced to all Chapters that for this Capitular year any donations should be sent to the NH Juvenile Diabetes Foundation.

As of this writing I am unaware of any money contributed to this Organization.

General Grand Chapter International has made a decision and will retain the Foundation but will, in the future, make Grants to Research instead of the previous method of a single provider.

All Chapters are encouraged to again generate contributions to be donated in the usual manner as before.

Respectfully submitted,

M Ex Companion Robert D. Steel, PGHP, NH

## **PUBLICITY COMMITTEE REPORTS FOR NEW HAMPSHIRE**

---

### **Report of the Committee of Publicity and Public Relations**

To the Most Excellent Grand High Priest, Grand Officers and Companions of the Grand Royal Arch Chapter of the State of New Hampshire:

The Publicity Committee reports that New Hampshire York Rite is progressing well with 33 new Chapter candidates taking the degrees over the year.

The York Rite News is no longer with us, so we can only depend on Chapter Trestleboards and emailed information about upcoming events. We also have tried to make use of the Web Sites posted on NHYorkRite.com posting Publicity Committee Reports and by adding web sites for our Appendant Bodies as well. The York Rite Council is funding the web site cost and the labor is coming from the Grand Secretary's Office.

Companion Herbert H. Hutchinson's daily reports of deceased or ill brethren and sisters of our jurisdiction show tireless dedication to the craft. We all thank him for his efforts on keeping us all up to date on our distressed and worthy Companions.

Most Excellent Grand High Priest, it is a pleasure to serve on this Committee for the Grand Chapter.

Fraternally,

R. Bradley Alderfer, PHP

Dennis A. Sheridan, PGHP Chairman

## REPORT OF THE EDUCATION & MEMBERSHIP COMMITTEE

---

---

**TO:** THE MOST EXCELLENT GRAND HIGH PRIEST, OFFICERS AND MEMBERS  
OF THE GRAND ROYAL ARCH CHAPTER, STATE OF NEW HAMPSHIRE

**FROM:** EDUCATION & MEMBERSHIP COMMITTEE

**DATE:** 10/22/2011

It has been our privilege to serve as your Education & Membership Committee for the preceding Capitular year.

This year, no festival was planned in Manchester as in the two previous years, so it was interesting to see if the interest in the Rite would continue and spread throughout the State. There has been activity throughout the state, beginning in August in Claremont, where 6 men began their York Rite journey.

At least 13 have joined our ranks since our last Annual Session, and there has been activity in nearly every Chapter. In March, 6 men were exalted in Lancaster. Portsmouth will begin another class in April. Special attention needs to be paid to the presentation of the Royal Arch Degree. This is the most labor and property intensive of all the York Rite Degrees and Orders, and we believe it can be a bottleneck in the process.

During the year, the Chair had an opportunity to work with the YRIS in order to update and verify the records of his own Trinity Commandery. An interesting discovery came to light: Of the 120+ members of Trinity Commandery, 40 have joined since March, 2007. When this information is extrapolated to Chapter, it explains why there has been but one new Past High Priest since that time. We recommend that other Chapters review their records as well, as we think it will be enlightening.

The balance of this report will reiterate points we have made in prior reports.

We believe it is time for the membership function of the York Rite Bodies to become a unified effort, and recommend that the several presiding Grand Officers work to create a York Rite Membership Task Force with responsibility for coordinating all membership and promotional activities

We believe that a coordinated effort aimed at informing all York Rite Bodies within the State exactly when and where the several York Rite Degrees and Orders are being exemplified will enable us to sustain and grow our order.

Our Brethren in the Scottish Rite have developed a well-financed and well-coordinated effort to recruit new members. The Supreme Council, NMJ has even made an appeal to the general membership for funds to assist in this effort. Companions, we must develop an answer, so that our brethren will know that there is not just one path available to the Master Mason seeking further light. We should not make this a completion, but the truth is that nonmember Scottish Rite brethren are the best source of prospective members. We must make sure that new Master

Masons are informed about the opportunities for further light within our Rite, and we must do it early. Research done by our Scottish Rite brethren suggests that the likelihood of a Brother seeking further light decreases rapidly within a year of being raised. Remember Companions, we in the York Rite do have a Unique Selling Proposition, which others do not: We have the “Rest of the Story!” In addition, we are not continually involved in rewriting our traditions to address some perceived demographic trend. New Master Masons are interested in history and tradition, and we can offer both.

Some of the specific activities on which we have worked this year include:

- A presentation of the York Rite opportunity in at least one Lodge in the 3<sup>rd</sup> District. If other presentations were made, they have not been reported to this committee.
- A brief presentation on the York Rite opportunity at various blue lodge visitations within the 2<sup>nd</sup> district, along with the Commander in Chief of New Hampshire Consistory.

Recommendations:

- That the membership function of this Grand Commandery be combined with those of the other two Grand York Rite Bodies under the direct supervision of the a York Rite Membership Task Force.
- That the membership effort be coordinated with public relations with the aim that every York Rite body within the State will know when and where degrees and orders are being exemplified.
- That a cohesive approach utilizing an “ambassador” approach be developed, implemented and communicated to the several Lodges within the state, the objective being that each Lodge will have a “go to” person for information about the York Rite
- That this Grand Chapter, in conjunction with the other Grand York Rite Bodies, attempt to present or make available something of value to each newly raised Master Mason within the State. Said item would provide information regarding the York Rite opportunity or perhaps on the availability of paths to further light in general. Two examples are The York Rite of Freemasonry, available through Grand Encampment, and Further Light, available from the Masonic Services Association. We favor the second, as it provides information on nearly every appendant and concordant Masonic organization in existence. We believe the unbiased approach will create a favorable impression.
- That each of us is visible in the Blue Lodges around the State, seeking opportunities to dispense information regarding the Rite and membership therein.

Respectfully Submitted,

R. Bradley Alderfer, KYCH, Chairman

## REPORT OF THE GRAND LECTURER

To: M Ex GHP John S. Geas, GRAC of NH and Companions,

Subject: Report of the activities of the Grand Lecturer, 2010/11

May 15, 2011

M Ex John Geas, it has been a privilege to serve you and the Companions of this Grand Jurisdiction for the past year. It has been an eventful year for myself also an interesting one for Capitular Masonry in NH.

What follows is the schedule of events attended by myself as your representative as well as other events I either visited or participated in regards to York Rite Masonry in general.

Sept. 10-11 York Rite NE Regional Chapter (Albany, NY)

28 North Star #16 Annual Visitation MEM

Oct. 12 Portsmouth, MEM Deg. Annual Visitation

26 North Star #16 MMM Degree

Nov 6 Manchester, RA Deg.

10 Special Convocation of Grand Chapter

2011

Jan 25 PM & MEM in Lancaster

Mar 22 RA Deg. Lancaster

Apr 16 Grand Chapter/Council Annual Business session

May 13-15 Annual Sessions of NH York Rite Bodies

All Visitations were normal; Books and records were available and correct. The only report I received in writing was by Ex James Geas who is, to my understanding no longer a member of the Fraternity. I did attend most of the annual visitations and observed the Deputies in their work. Further, I attended most of the degree work of the individual Chapters.

### ***Recommendation:***

It is anticipated that the Grand Lodge is going to adjust the way they evaluate Lodges. This would be an appropriate time for us to do the same.

It is my recommendation that the Grand Lecturer and/or one of his Deputies visit each Chapter, *as assigned*, whenever they confer a degree, instead of during the annual visitation. In the event a Chapter does not confer a degree during the year, the Deputy assigned to that Chapter shall require one of the degrees (other than PM) to be performed. We will receive a more accurate picture of each Chapters abilities and capabilities to function and perform degree work. Continued cooperation of two or more Chapters may still be required for a period of time.

The assigned Visiting Officer should still set his dates; perform his usual inspection of records/properties as is customary and be independent from the witnessing of degree work. He is then free to bring more information to each Chapter and may even have the ability to generate discussions. Thus gathering constructive ideas for the betterment of Capitular Masonry.

Respectfully submitted,

M Ex Companion Robert D. Steel, Grand Lecturer, PGHP, GRAC of NH

## **Report of Unfinished Business**

To the ME Grand High Priest and the Companions of the State of New Hampshire:

Upon review of the Proceedings of 2010, all unfinished business was satisfactorily concluded.

The efforts to promote Life Membership in General Grand Chapter fell way beyond the wayside.

Sincerely and fraternally,

Dennis A. Sheridan, PGHP

Grand Secretary

## **REPORT OF THE YOUTH COMMITTEE - DEMOLAY**

*To Companion John S. Geas, Most Excellent Grand High Priest, Grand Chapter of Royal Arch Masons of New Hampshire:*

Most Excellent Sir, it is with pleasure that I present this report on the state of the Order of DeMolay for Boys in the jurisdiction of New Hampshire. There are both positives and negatives to report concerning the state of DeMolay in New Hampshire. DeMolay has shown positive growth over the past year – that is, there have been more members brought in than were lost. It is the first time in several years that this has happened, and we hope it is a precursor of the future. Also, there have been several functions throughout the State that have been well attended by both DeMolay and Rainbow. Finally, several Lodges within the State have expressed an interest and are working towards establishing Chapters. This is after several years of stagnation in Chapter sponsorship.

Unfortunately, there are also negatives. The lack of experienced older DeMolays has resulted in a situation where, as of April 14, 2011, there is no active state suite or State Master Councilor. This is not a desired condition but is one that must, to some degree, be endured while competent leadership among the members is developed. Another concern is one that has become a litany in New Hampshire. There are few Masons willing to support DeMolay in any manner except words. Even the Lodges who have voluntarily indicated an interest in sponsoring a Chapter fail to provide the adult advisors required. Without adults to provide guidance, sponsorship is meaningless. However, lack of adult sponsorship is not the worst consequence to DeMolay. One Lodge in New Hampshire is engaged in an activity that is actively and willfully detrimental to both the Order and Masonry in general. This Lodge has rejected the Masonic application of every or nearly every eligible or Senior DeMolay who has applied. As a Mason and Senior DeMolay myself, I find this conduct by those members of the Lodge engaged in this blanket denial to be reprehensible, inexplicable and destructive.

As of April 1, 2011, leadership of New Hampshire DeMolay transferred from Executive Officer and Past DeMolay Grand Master Dad Frederick W. Welch to the Personal Representative of the DeMolay Grand Master George L. Baldwin of Concord. The members of this Committee and the Grand Commandery of New Hampshire wish to sincerely thank Dad Welch for his many continuous years of service to both New Hampshire DeMolay and DeMolay International. We wish him the best in his future endeavors. We would also like to congratulate Dad Baldwin on his appointment and offer the services of this Grand Commandery in the future endeavors of New Hampshire DeMolay.

Most Excellent Sir, it has been a pleasure serving this Grand Chapter as Chairman of the Youth Committee - DeMolay for the past number of years, and it has been a labor of love in many ways. I thank you for the opportunity to serve. However, I must inform you that I am unable to accept appointment to this Committee in the future, and would respectfully request that your successor in office honor my request.

In the Faith,

Richard F. Cole, Jr. MEPGHP, Chairman

1.4.4.1 – The remaining Grand Officers shall perform such duties as are traditionally appropriate to their respective stations, and as may be assigned to them by the Grand High Priest of the Grand Chapter.

**Add the following:**

**1.4.4.2 – Duties of the Grand Lecturer:** *The Grand Lecturer shall keep each local Chapter fully informed on where and when each Capitular Degree is scheduled to be performed within the Jurisdiction, thereby enabling the local Chapter members to attend and view the Work, learn how it should be presented, and perhaps arrange for their actual participation in the Work as their gained proficiency may allow. By working together, and with the assistance of the Grand Lecturers, the goal of attaining widespread proficiency in the performance of Capitular Degrees may be attained. Each Chapter is encouraged to develop the in-house capability to perform all of the ritual work in Capitular Masonry, to include the Degrees of Mark Master, Past Master, Most Excellent Master, and Royal Arch Mason. Although some*

*local Chapters may find themselves unable to perform these Degrees using their own Officers and Companions, it is desired that they work toward improving their in-house capabilities.*

## **REPORT OF THE GRAND SECRETARY**

To the ME Grand High Priest, Grand Officers and Royal Arch Companions of NH:

I hereby submit my report as Grand Secretary for the year 2010-2011.

The Proceedings for 2010 are finished. The discs are available for distribution as well as the files being placed on the web site. I have provided our sister Jurisdictions with copies of the same, as well as the General Grand Chapter Office.

Bills for the Proceedings including materials, duplication and postage, as well as copying and postage for Annual Convocation notices, have been submitted to the Grand Treasurer and have been paid in full.

We are going to ask all Grand Officers to sign for materials supplied to them from the Grand Chapter, including Aprons and Jewels. All items that should be passed on are sometimes lost because of absences at the Annual or forgetfulness of Officers to be responsible for them. When we have the Installation, I will present said paper for signatures as such.

**ADDRESS OF THE MOST EXCELLENT GRAND HIGH PRIEST**

TO: DISTINGUISHED GUESTS, MEGGHP, MWGM and COMPANIONS ALL

It was with great pleasure to serve as your MEGHP for the past capitular year 2010-2011. I have learned many lessons and hope that I can put them to good use in my future endeavors in my career in Masonry.

I wish to thank many for your help and guidance, but I will not say names as I might miss someone and I think you know who you are. MANY THANKS

I set two goals for this year and one of them came to fruition. That goal was to increase our membership and I accomplished this with the help of the Membership Committee. We gained twenty six new Royal Arch members this year. Great Job Companions.

My second goal to visit every Chapter in the state, but weather conditions prevented some and illness others and this I apologize to all that I missed visiting.

My in and out of State visits are printed in the proceedings so I will not read them now:

Massachusetts

Maryland

Rhode Island

Maine

Connecticut

Vermont

I also attended the following Masonic function in the year as your MEGHP

Northeast Regional Conference in Albany, NY

Several Unity meetings

Unity Party

Charismas Party at Shrine Center

Rainbow Grand Assembly

OES Grand Chapter

GWA Reception

I granted By-law changes for and all approved by Rules/regulations committee:

Claremont Chapter

Rochester Chapter

Manchester Chapter

Concord Chapter

I regret that the Grand Officers did not travel this year as they missed many opportunities to meet with new companions and learn more ways to help their own State to operate better. It is embarrassing to be present and being the only representative from New Hampshire while other states had from three to six in their line there. Even companions from Europe or Middle East had eight to twelve representatives. A few times I did have two Past Grand Officers and one

Line officer. Within the state I had an average of three line officers at the Visitations and three Past Grand Officers. THANKS FOR THE SUPPORT

I would be remiss if I did not thank my Lady Jane for her support as my right hand. This Lady helped me immensely with my duties as MEGHP by keeping me informed where I must be, traveled with me keeping me straight with protocol, working on banquets, hospitality rooms and numerous other projects for your Grand Chapter. Lady Jane worked behind the scenes quietly and I want to say a large THANK YOU LADY JANE.

I have no recommendations at this time as the regulations and by-law committee has already done the changes to the Grand Constitution, which is printed in the proceedings.

In closing I want to thank everyone for their trust, faith and advice to me over the past two years, it has been a wonderful experience and I hope to put this knowledge to good use in the future.

Fraternal Yours

John S. Geas

## THE GRAND CHAPTER OF THE STATE OF NEW HAMPSHIRE ROYAL ARCH MASONS MEMORIAL SERVICE

### CALL TO WORSHIP MEGHP

We gather at this time in loving memory for those Companions of our Holy Royal Arch who have departed this earthly life to find home with the Grand High Priest of Heaven. Let us remember that “we look not to the things that are seen but to the things that are unseen for the things that are seen are transient and the things that are unseen are eternal”. We light this candle as a symbol of our brotherly love for them

Let us worship God this morning before Him our departed Companions

Father in Heaven, we praise your holy name for all who have finished this life loving and trusting you, for the example of their lives, the life and grace you

They and the peace in which they rest. As we honor their memories, make us

More aware that you are the One from whom comes every perfect gift. We Praise you today for your servants and for all that you did through them For our Fraternity. Meet us in our sadness now and fill our hearts with Praise and thanksgiving, in your name we pray. Amen

## **REPORT OF THE JURISPRUDENCE COMMITTEE**

*To Companion John S. Geas, Most Excellent Grand High Priest, and the Companions of the Grand Royal Arch Chapter of New Hampshire:*

The Jurisprudence Committee has reviewed your report of activities for the 2010-11 Capitular year and wishes to thank you for its timely submission. It is always an easier task for this Committee to evaluate the Grand High Priest's decisions and activities when adequate time is available for review.

The Committee commends the level of activity shown by the Grand High Priest, especially with his out-of-state visits. A significant number of in and out of state activities have had representation from this Grand Chapter, and this level of activity is critical to maintaining good fraternal relationships with our sister jurisdictions. The Committee also concurs with the Grand High Priest's concern with the lack of travel by other Officers of the Grand Chapter of New Hampshire. The fraternal relationships established during visits to other Grand Chapters are one of the most, if not the most enjoyable benefit of progressing through any Grand Line, and those aspiring to the office of Grand High Priest should take every opportunity available to travel.

The Committee concurs with those by-laws changes approved by the Grand High Priest that were available for review, and finds them to be in compliance with the regulations of the Grand Royal Arch Chapter of New Hampshire. However, this Committee would remind the present and future Grand High Priests that maintaining a record of and reporting any approvals of by-laws changes is an integral duty of the office. Consider yourself duly chided, Most Excellent Sir.

The Committee commends the Grand High Priest for excellent performance during this past year. It is frequently said that practice makes perfect. While not perfect, it is patently obvious that he made full use of the lessons learned during his first year in office, and represented New Hampshire in an exemplary manner during his second. Well done, sir.

Most Excellent Sir, it has been a pleasure working with you during the past Capitular year, and we thank you for the privilege of serving this Grand Chapter as your Jurisprudence Committee.

Sincerely and Fraternaly,

Robert L. Sutherland, Jr., MEPGHP

Richard F. Cole, Jr., MEPGHP, Chairman
